Dear Friend:

The following is my opinion concerning your questions, for which this service is free:

I feel it would be a wonderful try  
for both, back to mo. + feel you  
should go along.

There is little luck to be expected for  
your friend prospecting for gold, just a  
wast of time and money.

There is no chance to sell this year.  
A marriage is indicated for your daughter next  
year. in time the cabin shall belong to you and  
a clear title.
